

also participated in the workshop. This was his second 3-hour session guiding the group of 34 teachers through the *Measuring in One and Two Dimensions* content. NC-PIMS Communications Specialist Nicolle Jones was on hand for the session, taking notes and photographing their activities. The session was held in the media center and lasted from 8:30 AM-Noon.

In Appreciation—NC-PIMS Site Coordinators

NC-PIMS says farewell to our Site Coordinators in September. Our Site Coordinators have served
